

ENVIRONMENTAL POLICY

Lamar Group is a leading supplier of sheet and cut-to-panel materials and associated products to a range of industries.

Lamar Group is committed to working to Quality, Health and Safety and Environmental best practices and to that end operate an Environmental Management System to international standards to ensure compliance with relevant legislation and current codes of practice.

We will promote and maintain an Environment Policy to ensure that the impact of our operations on the environment is reduced to as low a level as is practically and economically feasible.

In order to implement this policy we will: -

- ◆ Reduce pollution by elimination, reuse and recycling of waste products wherever possible.
- ◆ Ensure compliance with relevant national and local environmental regulations.
- ◆ Work to reduce our overall consumption of key energy sources and raw materials.
- ◆ Ensure safe working practices for our employees.
- ◆ Set environmental objectives and strive to meet them through the involvement of all.
- ◆ Regularly review all our operations to ensure continuous improvement in our overall environmental performance.
